Sir:

Pursuant to 37 C.F.R. 1.821(e), Applicants attest that the paper copy of the enclosed Sequence Listing is identical to the computer readable copy of the Sequence Listing filed in application 09/724,224, filed November 28, 2000 (the grandparent of the current application to which the current application claims priority). In accordance with 37 C.F.R. 1.821(e), please use the last filed computer readable form filed in that application as the computer readable form in the instant application. It is understood that the Patent and Trademark Office will make the

necessary change in application number and filing date for the instant application. A paper copy of the sequence listing is enclosed herewith.

This submission introduces no new matter.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Scott Ausenhus".
